CRIME SUMMARY

Location of Occurrence	Division	Date / Time	Weapon Used
8094 Orchard Loop Ln.	Central	1/17/19 – 1109 hours	Firearm

Brief summary of events leading to and including death:

While on duty and driving westbound on Orchard Loop Ln., within the County of Sacramento, Elk Grove Police Officers Resch (V1) and PC 832.7 (V2) encountered S1 running on the sidewalk, in a suspicious manner. As they got closer, S1 looked back at them and immediately began reaching for his waistband. Ofcr. Resch caught up to S1, opened the driver's side door, and ordered S1 to stop, turn around, and show him his hands. S1 stopped and abruptly turned towards the officer's while holding an extended barbeque lighter in his hand. Fearing for his and his partner's safety, Ofcr. Resch discharged is firearm at S1 one time, causing a graze wound below S1's right nipple. S1 immediately dropped the lighter stick and complied with the officer's directives, as they proceeded to detain him. During a Mirandized statement, S1 admitted to running away from officers because he was attempting to conceal a glass pipe, in the crotch of his pants. S1 was transported to the hospital where he was treated and medically cleared, before being booked at the Main Jail.

COMPLAINANT/VICTIM (LIST FIRST VICTIM IF MORE THAN ONE)

0600 Hours, 01-17-19, Thursday: I, Deputy Peña, #1359, 65A1, was working as a patrol deputy with the Sacramento County Sheriff's Department within the County of Sacramento. I was wearing full duty uniform and driving a marked patrol vehicle.

1116 Hours: During the commission of my duties, Dispatch advised units over the radio that the Elk Grove Police Department (EGPD) had been involved in an officer-involved shooting on Orchard Loop Lane within the County of Sacramento. Dispatch advised EGPD was requesting units to assist them with the investigation portion of their officer-involved shooting.

1130 Hours: I arrived at the dispatched location and observed several EGPD vehicles on scene, along with Deputies Cotten, #217, and Arbuckle, #1433, Unit 66A2 and Sgt. Prehoda, #93, Unit 61S.

We were advised that the shooting had occurred at least 30 minutes prior to our arrival and there appeared to be crime scene tape set up already, with the inner perimeter being established in the area of the FIRESTONE auto shop parking lot at the northwest corner of Orchard Loop Lane.

I received directives to begin a canvass of the surrounding businesses to see if anyone had seen or heard anything.

I began at **BIG O TIRES** shop at 8022 Orchard Loop Lane.

1146 Hours: I spoke with the assistant manager, PC 832.7 (b)(5)(B) (W), who told me he had been at work since 9:15 in the morning and had not seen or heard anything. (See attached statement.)

1150 Hours: I spoke with the general manager, PC 832.7 (b)(5)(B) (W). He told me he was on a phone call at approximately 10:53 AM when he heard a single gunshot. (See attached statement paired)

1157 Hours: I spoke with a service technician, PC 832.7 (b)(5)(B) (W), who stated he had been at the business since 7:45 AM and had not seen or heard anything.

1200 Hours: I spoke with a customer, PC 832.7 (b)(5)(B) (W). He told me he arrived shortly before officers began setting up crime scene tape and had not seen or heard anything. (See attached statement.)

1203 Hours: I spoke with a customer, PC 832.7 (b)(5)(B) (W). She stated she had not seen or heard anything and saw police setting up crime scene tape two minutes after she arrived. (See attached statement.)

1205 Hours: I spoke with a customer, PC 832.7 (b)(5)(B) (W). She told me she had not seen or heard anything. (See attached statement.)

1207 Hours: I spoke with a service technician, PC 832.7 (b)(5)(B) (W), who stated he was in the back sometime after 10:00, when he heard a loud pop. (See attached statement.)

MPLAINANT/VICTIM (LIST FIRST VICTIM IF MORE THAN ONE)						

1211 Hours: I spoke with a service technician, PC 832.7 (b)(5)(B) (W), who stated he had been at work since 7:45 and had heard what he felt was a gunshot just before he went to lunch at about 11:00. (See attached statement.)

1214 Hours: I spoke with PC 832.7 (b)(5)(B) a service technician. He stated he heard a gunshot sometime after 10:00, but he thought it was a tire popping. (See attached statement.)

I responded to **SMOG & GO** at 8034 Orchard Loop Lane.

1252 Hours: I spoke with PC 832.7 (b)(5)(B) (W), a smog technician. He stated he was having a smoke break at the southwest corner of the building when he saw the suspect running from the EGPD and saw officers approach the suspect. As they approached, the suspect turned his body and he heard a gunshot. When the gun went off, the suspect could his hands up and was taken into custody. (See attached statement.)

1259 Hours: I spoke with PC 832.7 (b)(5)(B) (W), a smog technician. He stated he heard a pop that he thought was a tire popping from BIG O TIRES next-door, but then heard PC 832.7 (b)(5)(B) say the police had shot someone. He looked out and saw EGPD taking the suspect into custody. (See attached statement and)

1305 Hours: I spoke with PC 832.7 (b)(5)(B) (W), the manager. He stated he was with a customer at the front counter when he heard a loud pop. A short time later, he looked out and saw the EGPD putting up crime scene tape. (See attached statement.)

I responded to the **OIL STOP** business at 8046 Orchard Loop Lane.

I spoke with the manager, PC 832.7 (b)(5)(B) He stated he saw the EGPD following the suspect at the corner of Orchard Loop Lane. When the driver of the EGPD squad car got out, he heard a loud pop. When he heard the pop, the suspect put up his hands and was taken into custody. (See attached statement.)

1315 Hours: I spoke with Technician PC 832.7 (b)(5)(B) (W). He stated he arrived at work at around 8:20 and did not hear or see anything. (See attached statement.)

1319 Hours: I spoke with Technician PC 832.7 (b)(5)(B) (W). He stated he saw the suspect in front of FIRESTONE and went back to work. He merely heard a pop. When he looked up, he saw the suspect act as if he dropped something and then put his hands in the air before being taken into custody. (See attached statement.)

1323 Hours: I spoke with Technician PC 832.7 (b)(5)(B) (W). He stated he was conducting an oil change and was under the hood when he heard a pop. He looked out and saw the suspect with his hands in the air and being taken into custody by the EGPD. (See attached statement.)

OMPLAINANT/VICTIM (LIST FIRST VICTIM IF MORE THAN ONE)

I walked to the FAIRFIELD INN & SUITES.

1329 Hours: I spoke with the manager, PC 832.7 (b)(5)(B) (W). He stated he arrived at work at 9:00 that morning and did not hear or see anything. (See attached statement.)

1332 Hours: I spoke with the sales manager, PC 832.7 (b)(5)(B) (W). She stated she was in her office at the east end of the building when she heard a loud gunshot. She looked at her window and saw the EGPD taking the suspect into custody. (See attached statement.)

I knocked on all the doors to rooms that had a window facing east at the business. PC 832.7 (b)(5)(B) advised there was a high likelihood no one would answer due to the time of day. He stated most people who checked in were away at work.

1338 Hours: At Room #216, I spoke with PC 832.7 (b)(5)(B) (W). She stated she was out front smoking a cigarette sometime around 11:00 and heard a gunshot. She looked up and saw the suspect at the northwest corner of Orchard Loop Lane with his hands up, facing northbound. She saw the EGPD handcuffs the subject and begin searching him. (See attached statement.)

After completing my canvass, I cleared the call and resumed my normal patrol duties.

1150 Hours, 01-17-19, Thursday: I, Deputy Peña, #1359, 65A1, spoke with PC 832.7 (b)(5)(B) [redacted] (W), who stated the following in summary:

> I am the general manager here at BIG O TIRES and got here at about 10:00.
>
> I was on a phone call in the back building. The call started at 10:53 and lasted three minutes. During that phone call, I heard one gunshot. I came out maybe four minutes after and saw all the cops showing up.
>
> I later went back and looked at my video and I could see the suspect. All I could tell is that he was wearing all black and running westbound on Orchard Loop Lane on the south side of the street. I could see the Elk Grove car following him.

1248 Hours/01-17-2019/Thursday: I, Deputy SEGER #973(N92), responded to 8058 Orchard Loop Lane (Fairfield Inn & Suites) in Sacramento at the request of Detective Sergeant K. CLARK #19 in order to collect video surveillance.

I arrived on scene and contacted an employee of the business who had previously downloaded the requested video from their Digital Video Recorder (DVR). On inspection of the DVR, I found the timestamp to be approximately ten (10) minutes ahead of the Sheriff's Computer Aided Dispatch (CAD) system time.

1305 Hours: I formatted (erased) a universal serial bus (USB) drive and the employee began copying the video surveillance from his computer to the same USB Drive.

1306 Hours: The video surveillance finished downloading and was collected.

Deputy T. FOUNTAIN #1204 responded to 8034 Orchard Loop Lane (Smog N Go) in order to collect further surveillance. The DVR was approximately fifteen (15) minutes ahead of the CAD system time.

1335 Hours: Deputy FOUNTAIN formatted (erased) a universal serial bus (USB) drive and began downloading the video surveillance to the same USB Drive.

1336 Hours: The video surveillance finished downloading and was collected and FOUNTAIN provided me with the USB containing the collected video.

1406 Hours: I responded to 8022 Orchard Loop Lane (Big O Tires).

I contacted an employee of the business who gave me permission to download video from their Digital Video Recorder (DVR). On inspection of the DVR, I found the timestamp to be approximately within a minute of the CAD system time.

1412 Hours: I formatted (erased) a universal serial bus (USB) drive and began downloading the video surveillance to the same USB Drive.

1530 Hours: The video surveillance finished downloading and was collected

1538 Hours: I responded to 8010 Orchard Loop Lane (76 Gas Station).

I contacted an employee of the business who gave me permission to download video from their Digital Video Recorder (DVR). On inspection of the DVR, I found the timestamp to be approximately within a minute of the CAD system time.

1556 Hours: I formatted (erased) a universal serial bus (USB) drive and began downloading the video surveillance to the same USB Drive.

1558 Hours: The video surveillance finished downloading and was collected.

1747 Hours: I copied (burned) all contents from the USB Drives onto DVD-Rom and Blu-ray Discs. I provided the discs to Detective C. CROWLEY #1330 at the scene.

COMPLAINANT/VICTIM (LIST FIRST VICTIM IF MORE THAN ONE)

0500 Hrs., 1-17-19 (Thursday): I, Deputy G. Yue #1222, was assigned to the Crime Scene Investigations Unit as Crime Scene Investigator.

1143 Hrs.: I dispatched myself to 8094 Orchard Loop Ln. (unincorporated area of Sacramento County) in regards to an apparent "officer involved" shooting investigation. The text of the CAD call indicated an Elk Grove Police Officer was involved in the shooting.

1206 Hrs.: I arrived on scene and made contact with my partner, CSI Deputy Picanco. Picanco had arrived on scene before me. Picanco pointed to a marked Elk Grove Police vehicle parked at the northwest end of Orchard Loop Ln. The police vehicle was stopped on the east side of the street and was facing south.

He mentioned that there was one spent shell casing lying in the gutter on the driver's side of the vehicle. He then pointed to a blue colored disposable lighter lying on the ground at the west entrance to 8055 Orchard Loop Ln. Per Picanco, the suspect was allegedly holding the lighter during his contact with the Elk Grove Police officers.

Picanco then pointed to the north exterior wall to Firestone Complete Auto Care (8055 Orchard Loop Ln). Per Picanco, there was an apparent impact mark on the exterior surface of the wall.

After the scene briefing with detectives, it was decided that I would be responsible for creating a 3D scan of the crime scene using the CSI unit's Leica 3D scanner. I was also tasked with collecting physical evidence. My partner, CSI Deputy Picanco, was tasked with taking digital photographs and shooting overall video footage.

Using a chemical test kit, I tested the apparent impact mark for the presence of lead and copper. There was a very faint and minute indication of copper at the impact mark. There was a distinct indication of lead at the impact mark.

COMPLAINANT/VICTIM (LIST FIRST VICTIM IF MORE THAN ONE)					

After the Elk Grove Police officer was brought back to the scene for a walk-through, I was advised by Detective Cabrera that his Sgt. did not want a 3D scan done of the scene. He instead asked that I complete a basic scene sketch with measurement table.

Once the evidence items were determined, I took several measurements to create a crime scene sketch. The sketch will be completed and submitted at a later date.

I collected the following items from the scene:

GY1-spent casing, Hornady 9mm Luger +P, from gutter on driver's side of EGPD vehicle
GY2a-three packs of PALL MALL cigarettes (2 were unopened), from hood of EGPD vehicle
GY2b-two unopened packs of "Extreme Start Firestarter", hood of EGPD vehicle
GY2c-one dirty roll of scotch tape, hood of EGPD vehicle
GY2d-black/brown leather reversible belt, hood of EGPD vehicle
GY2e-one PENTEL RSVP ball point pen, hood of EGPD vehicle
GY2f-one brown leather wallet containing one silver colored hoop earring, and a MASTERCARD debit card, hood of EGPD vehicle
GY2g-one gold colored butane lighter, hood of EGPD vehicle
GY2h-grey colored knit cap, in gutter near spent casing, driver's side of EGPD vehicle
GY2i-blue colored bandana, brand new with tag, in gutter near spent casing, driver's side of EGPD vehicle
GY2j-glass drug pipe, broken, in gutter near spent casing, driver's side of EGPD vehicle
GY2k-6 grams of apparent marijuana, found wrapped in plastic and "tucked" within blue bandana
GY2l-one piece of plastic, removed from apparent marijuana
GY3-blue colored BIC disposable lighter, "torch" style, found on ground at west entrance to parking lot of 8055 Orchard Loop Ln
GY4-tiny piece of red plastic, found in north parking lot of 8055 Orchard Loop Ln, near apparent impact mark in exterior wall

COMPLAINANT/VICTIM (LIST FIRST VICTIM IF MORE THAN ONE)					

1301 Hrs / 01-17-2019 (Thursday): I, Dep. Lopes #636 (CSI unit ID26) arrived at 8400 Laguna Palms Way in the City of Elk Grove (Elk Grove Police Station) regarding an officer involved shooting that occurred in the unincorporated part of Sacramento County.

I took photos of the two Elk Grove Police Officer's that were involved showing their overall appearance, badge and name on their uniform shirt, and the layout of their duty belts. Shown was Officer Resch, badge #150 and Officer PC 832.7 badge #PC 832.7 Both officers wore body cameras on the upper right front of their chests and both carried their pistols on the right side of their duty belt.

Next I took photos of Officer Resch's duty pistol, a Glock 17 Gen 4, 9x19, serial # YYZ371 laid on the table showing the pistol with the slide stuck partially open due to a miss fed cartridge. Attached to the pistol was a Streamlight "TLR-7" light. The photos show all sides of the pistol prior to my clearing the weapon of the magazine and cartridges.

The next photos show the pistol after I removed the magazine and pulled the slide fully to the rear to release the lodged cartridge. The photos show the fully loaded pistol cartridge and after I removed the 9mm cartridges (17 cartridges) from the magazine; the single Winchester 40 S&W hollow point cartridge that was lodged in the chamber; the emptied magazine; and the pistol.

I also took photos of the three additional magazines that Officer Resch carried in his spare magazine pouches on his duty belt. All three were Glock magazines and all cartridge windows indicated fully loaded magazines.

After taking photos of the officers, I was taken to the male that had been detained, Jason GONZALEZ. I had the handcuff taken off GONZALEZ and told him to stretch out his wrists. GONZALEZ stretched his wrists and then laid on the floor and stretched in several positions before being told to get up off the floor by one of the Elk Grove officers who was standing by with me.

I took photos of GONZALES showing his overall condition and his wrists. I asked him multiple times if he was hurt anywhere and every time he told me he was not hurt.

1448 Hrs: I left the Elk Grove Police Station and drove to the scene at 8094 Orchard Loop Dr.

1456 Hrs: I arrived at the scene and attended the walk through of the scene with the Sheriff and Elk Grove detectives and officers. I also searched the parking lot of the auto repair service looking for the bullet but did not find anything.

1548 Hrs: I left the scene to return to the Elk Grove Police Station. Det. Camacho had called me and told me the suspect had a wound on his chest and asked that I take photos of the wound and collect his shirts.

1602 Hrs: I arrived at the station and took photos of GONZALEZ showing the wound on his chest below his right nipple. I also took possession of the two bagged shirts that had been worn by the suspect (See Property Sheet).

Later I took photos of the two shirts showing the defects in the upper front right side of his shirts at the CSI office at 711 'G' St.

1632 Hrs: I left the station and returned to the scene.

1639 Hrs: I arrived at the scene on Orchard Loop Dr. I did not do anything at the scene and had to clear for an unrelated call.

1656 Hrs: I completed the call.

COMPLAINANT/VICTIM (LIST FIRST VICTIM IF MORE THAN ONE)

1142 Hours, 01-17-2019 (Thursday): I, Deputy Picanco #1409 (Crime Scene Investigation Unit ID25) was dispatched to 8094 Orchard Loop Lane regarding an outside agency officer involved shooting. The text of the call indicated officers with the Elk Grove Police Department had been involved in the incident.

1159 Hours: I arrived on scene and contacted responding deputies. I was informed one shot had been fired, and no one had been injured. I was shown an apparent defect in the exterior north wall of Firestone Complete Auto Care (8055 Orchard Loop Lane). I was shown a blue Bic multipurpose lighter on the ground in the Firestone parking lot and told S1 (later identified as Jason WARREN) had been holding the lighter at the time of the incident. I was also shown an Elk Grove Police Department patrol vehicle, parked near the west entrance to the Firestone parking lot. A spent casing was located in the gutter near the left front tire.

I participated in a scene briefing and walk-through, led by homicide detectives. It was decided that Deputy Yue #1222 (Unit ID23) would collect items of evidence and complete a scene sketch. Deputy Lopes #636 (Unit ID26) would respond to the Elk Grove Police Station for photographs of the involved officers and S1. I wo0uld collect video footage and take digital photographs of the scene.

I collected video footage, showing the scene from multiple angles. I later copied the video footage onto a DVD and booked it into evidence (**Item CP-V**). I took digital photographs of the scene, and later uploaded them to the department photograph database. I also burned copies of both the video footage and photographs onto DVD's for detectives, and placed them in the video tray in the CSI office.

DIGITAL PHOTOGRAPHS

- Overall views of the scene, taken from the northeast area of the Firestone parking lot; the locations of the Smog N Go and Big O Tire shops to the north are shown
- Overall views of the scene, taken from the northwest corner of Orchard Loop Lane; the location of the Marriott Fairfield Inn and Suites to the west is shown
- Overall views of Elk Grove Police Department patrol vehicle #184, CA Exempt License 1527938
- Views of a gray metal spent casing, found in the gutter near the left front tire of the patrol vehicle
- Views of the stem of a glass pipe, found in the gutter near the spent casing
- Views of glass pieces, found near the pipe stem
- Views of multiple items on the hood of the patrol car, including three packs of Pall Mall brand cigarettes, two fire starters, a belt, a knit cap, a wallet, and a blue bandana wrapped around what appeared to be a plastic baggie; I was told the items had been removed from S1's person after the incident
- Views of the scene, taken from the location of the spent casing
- Views of the blue lighter, showing that it was a Bic brand multipurpose lighter; the lighter was found on the west side of the Firestone parking lot, near the entrance/exit
- Overall views of the scene, taken from Orchard Loop Lane, west of the Firestone parking lot
- Views of a blue Honda Accord, CA License PC 832.7 (b)(5)(B) parked on the south side of Firestone parking lot

- Views of an apparent defect in the exterior north wall of the Firestone, in front of the Honda Accord
- Views of the scene, taken from the location of the apparent defect
- Views of apparent debris from the wall, found on the sidewalk beneath the apparent defect and on the hood of the Honda Accord
- Views of the apparent defect, marked with a scale
- Overall views of the scene, taken from near the driver's door of the patrol vehicle
- Overall views of the scene, taken from the northwest corner of the Firestone parking lot
- Additional views of the scene, taken from the location of the apparent defect
- Views of the scene, taken from the location of the Bic lighter
- Overall views of the scene, taken from Orchard Loop Lane, north of the Firestone parking lot
- Views of two coffee filters, showing positive test results for copper and lead; Deputy Yue used these filters to chemically test the defect for the presence of copper and lead
- Views of the spent casing, marked with evidence marker 1
- Views of S1 personal belongings, marked with evidence marker 2; the wind had blown some of S1's belongings off the vehicle
- Views of the blue Bic lighter marked with evidence marker 3
- Views of a small red plastic piece marked with evidence marker 4, found in the parking stall east of the Honda Accord; the projectile used in this incident had a red plastic tip and it was believed this was the tip of the projectile
- Views of the apparent defect, showing apparent red marks in the defect

1725 Hours: I cleared the call.

I.B.I.S. Test Fire

Report #: 19-20147
Crime Class: Information

0809Hours, 1/31/2019; I, Deputy William O'Connor #2095, checked the following items out of the Sacramento County Sheriff's Property Warehouse:

MC1 Glock 9mm Handgun, Mod#17, Ser#YYZ371

Following a safety and function check of the firearm I utilized the Sacramento County Sheriff's Department IBIS bullet trap and conducted a test firing of the above listed firearm. The firearm functioned properly. I collected the casings and marked the casings as items WPO1 – WPO2. While handling the gun and magazine I wore protective gloves.

Item #: Evidence Description:

MC1	Glock 9mm Handgun, Mod#17, Ser#YYZ371
WPO1	Federal 9mm Casing Fired from MC1
WPO2	Federal 9mm Casing Fired from MC1

0940 hours, 1/31/2019; I conducted a test firing of the firearms.

1100 hours, 1/31/2019; I returned the above check out items to the Property Warehouse.

1200 hours, 1/31/2019; I booked item WPO1 and WPO2 into evidence at the Property Warehouse.

Brief Summary of Circumstances

S1 was observed by V1 while on routine patrol. When S1 saw V1 he ran away from him and began digging in the front waistband of his pants. V1 ordered S1 to stop and show his hands. S1 quickly spun in the direction of V1 and produced an object, at that time V1 fired one round in the direction of S1 slightly grazing his chest, causing a small abrasion. S1 was arrested and transported to the Elk Grove Police Department and later transported to the hospital for his injury.

Examination Requested

Please conduct a functionality examination of the victim's firearm (listed below). If you have any questions, please let me know.

OIS Verbatim Statement of: EGPD Officer Paul Resch #150

SSD #19-20147

Detective M. Camacho #538

S1: Jason GONZALEZ-WARREN

CAMACHO: The time is 1901 hours, the date is January 17, 2019, it's a Thursday. I'm Detective Camacho with the Sacramento County Sheriff's Homicide Bureau, badge #538. I'm here with my partner,

WALTHER: Detective Jim Walther, badge #61.

CAMACHO: And also,

INGRAHAM: Attorney Dustin Ingraham of the Mastagni Law Firm.

RESCH: Officer Paul Resch badge #150 with the Elk Grove Police Department.

CAMACHO: We are all here in regards to an officer involved shooting which occurred in the County of Sacramento earlier in the day. At this time I am going to ask the officer some questions. What's your name?

RESCH: Paul Resch, last name is spelled R-E-S-C-H.

CAMACHO: Your badge number?

RESCH: 150.

CAMACHO: How old are you?

RESCH: I am 48, I will be turning 49 on [redacted]

REPORTING OFFICER	BADGE	DIVISION	APPROVED BY	BADGE	DATE AND TIME OF REPORT
Camacho	538		Clark	19	Thu 01/17/2019 13:00

CAMACHO: And what is your date of hire?

RESCH: Uh, July of 2006 with the City of Elk Grove, I don't know the exact day.

CAMACHO: What is your current assignment in the department?

RESCH: I work as a motor in the traffic division.

CAMACHO: And shift title, do you have a shift title?

RESCH: Um, it's technically day shift, we come in at 6:00am and we log of at 4:00pm uh, and I work a Tuesday through Friday rotation.

CAMACHO: Have you ever worked for any other law enforcement agencies?

RESCH: I have. Uh, prior to this I was with the Davis Police Department for five years and prior to that I was with the Petaluma Police Department for two years, so a total of uh, 19 years I'll be my 20th anniversary in May.

CAMACHO: Nice. Any prior military experience?

RESCH: No prior military.

CAMACHO: Um, do you remember your last qualification date?

RESCH: Um, a couple of months ago in October so October 2018 uh, it was at the end of the month so somewhere in there.

CAMACHO: Okay. Do you wear prescription glasses?

RESCH: I have reading glasses but I do not have prescription glasses. Let me clarify that. I wear reading glasses when the font is really small otherwise I don't wear glasses at all so it's just to help me with the really small text, that's it.

CAMACHO: Okay. As far as your dress today, your uniform, um, were you wearing what you have currently on right now?

RESCH: I do um, it's a standard motor uh, issued uniform. It's a black long sleeved shirt um, I've got Kevlar um, uniform motor pants on um, at the time of the incident I also had my motor jacket on over top of my uh, uniform shirt.

CAMACHO: Okay. Can you go over everything that is on your duty belt um, start at one particular area and just go around.

RESCH: Okay, so from the center of my belt I'll work my way um, counter clockwise. Um, I have a magazine holder with three magazines uh, for a Glock 17 handgun um, after that I have a uh, taser, it's department issued uh, on my left hip, behind that I have my um, baton, behind that is my radio holder uh, which is empty right now, I took my radio off but I have a radio that goes on my uh, rear left hip. Um, on my very back of my belt I have two handcuff cases um, one on the left side of my spine and one on the right side of my spine um, coming around to about five o'clock I've got my OC holder um, at my three o'clock I have my um, now duty issued Glock 17 uh, holster and gun on my uh, right hip um, at my two o'clock I have a Leatherman tool case with a Leatherman tool inside of it and at one o'clock I have a key holder with my department issued keys.

CAMACHO: Alright and this is the uniform you were wearing at the time of the incident?

RESCH: Yes.

CAMACHO: Okay um, in regards to your vehicle um, can you describe your law enforcement vehicle you were driving at the time of the incident?

RESCH: I believe it was uh, unit 184 um, it's a marked um, Elk Grove Police Department Ford Explorer um, it's got a light bar on top um, it's got the Elk Grove PD logo on the sides um, I think that's about, about it.

CAMACHO: Okay. Did you....during this incident did you ever activate your overhead lights?

RESCH: No.

CAMACHO: Siren?

RESCH: No.

CAMACHO: Okay and you, were you wearing a hat?

RESCH: I was not wearing a hat today.

CAMACHO: Okay. Um, when you uh, encountered this, this subject. Did you identify yourself?

RESCH: No.

CAMACHO: If you gave....what commands did you give, if any?

RESCH: I did. Um, when I first contacted him I told him let me see your hands um, after the incident when he hands were in the air I told him to turn around and at that point I handcuffed him.

CAMACHO: Did the suspect appear to understand your commands?

RESCH: He understood the second one fine, the first one um, he hesitated on but I yelled it, it was loud I have no doubt he could hear me.

CAMACHO: During this incident did you fear for your safety?

RESCH: Absolutely.

CAMACHO: Did you fear for your partners safety or someone else?

RESCH: Absolutely.

CAMACHO: Did the suspect ever threaten you?

RESCH: Verbally?

CAMACHO: Verbally, yes.

RESCH: No.

CAMACHO: Are you familiar with the area that you were in?

RESCH: Yes.

CAMACHO: Are you familiar with the type of crimes that are in that area?

RESCH: Yes.

CAMACHO: What kind of crimes?

RESCH: Certainly. Um, so this incident happened in the area of Orchard Loop which is just south of the major intersection of Calvine and Power Inn. Um, it's highly industrial there are gas stations, there are um, automotive repair shops uh, there's a Fairfield Inn uh, there are several restaurants including the Texas Roadhouse. There's a Lowe's across the street from where this incident took place. So in this particular area it borders on between Elk Grove and South Sacramento so we get a lot of influence from South Sacramento coming in. Uh, we get a lot of thefts, we get a lot of stolen vehicles um, we have a lot of um, contacts with people that um, resist and flee from police, um, we do a lot of traffic enforcement in the area. We've got um, Monterey Trails school down the street uh, from there so we're always in the area doing traffic enforcement as a motor team and a traffic team. So um, the area is well known to us and of course a lot of patrol officers as well.

CAMACHO: Okay. Were you injured in anyway during this incident?

RESCH: No.

CAMACHO: In regards to the suspect, have you ever encountered the suspect before?

RESCH: I've never seen him before today.

CAMACHO: Did it appear…….let me….sorry back that up. In your career have you ever encountered people that were under the influence of uh, drugs or narcotics?

RESCH: Yes.

CAMACHO: Did this subject ever exhibit any of those signs?

RESCH: So I did not have uh, close contact with him enough to recognize any symptoms of drug use um, so, so from the initial point of view no, I did not realize that or if he was under the influence of drugs I did not know if he was under the influence of drugs or not.

CAMACHO: Totally understand. Skin temperature and also in relation to his skin, clammy, sweaty, dry, hot….can you describe how his skin was?

RESCH: Uh…..

INGRAHAM: And if you can't that's okay.

RESCH: Yeah I'm just trying……the only contact I had with him was when I put handcuffs on him and I grabbed his two hands and put his hands behind his back at which point I handcuffed him. I didn't notice anything unusual other than they were not wet, they felt like normal hands to me. Um, at one point in this thing I put him in the back of my patrol car, I lifted up his shirt to ascertain if he had any injuries. I did not see him sweating, I did not notice any unusual smell, I didn't….but of course at that point I was more concerned about his welfare than anything else so.

CAMACHO: At this time we'll just go into um, what happened and you can just start off with….wherever you want to start.

RESCH: Okay.

CAMACHO: Um, you can, you may begin.

RESCH: Okay. Um, so PC 832.7 (b)(5)(B) Officer PC 832.7 uh, who was my partner for the day, and I were doubled up, we were in the marked vehicle. Um, we had just completed a traffic stop in the area of uh, Sheldon north…..and if I'm going too fast please let me know I'll slow down.

CAMACHO: No.

RESCH: Uh, Sheldon north and Calvine which is um, east of where we were. Uh, we had plans that day to eat lunch at Texas Roadhouse which is where our final destination was going to be before this happened. Um, Officer PC 832.7 and I drove um, westbound on Calvine towards Power Inn uh, and I'll preface this by saying um, it

was pretty dark out today uh, a heavy cloud cover we got a lot of rain earlier in the day so the road was wet. Um, PC 832.7 (b)(5)(B) and I both had our jackets on um, our rain….double as a rain jacket so we had our jackets on um, we're normally on motors uh, today we were in cars just because of the um, weather. Um, so we got to Power Inn and Calvine and I got in the left hand turn lane, the number two turn lane to turn southbound on Power Inn um, we waited there for a little bit and then the light turned green um, the very next right is Orchard Loop you pass the 76 station and then there's Orchard Loop and then Arco is on the other side. Um, PC 832.7 (b)(5)(B) and I were talking back and forth about something I, I don't remember what it was um, anyway um, we turn on to Orchard Loop um, I do my normal um, visual look around the area to see what's going on when I turn on a different street so I noted there was a lot of traffic at the 76 station uh, there was a lot of people on foot, I noted there was a lot of traffic at the Arco um, there was a lot of cars, a lot of people and there typically is cause it's a major intersection. Um, as I got to towards the end of 76 maybe a little bit before that I noticed a guy walking on the south side of the street on the sidewalk heading westbound towards the Fairfield Inn. The Fairfield Inn is at the far end of Orchard Loop. Um, and I didn't think much of it um, and he was at the exit that leaves the Firestone onto the north side of uh, Orchard Loop. There's actually a, I believe there's two entrances/exits there's the one on the north side and there's one on the west side so he was walking west over the entrance/exit of um, the Firestone. I remember vividly looking at him and he was looking down at this huge puddle that was in front of the entrance on the roadway I'm like what is he looking at and as um, he was looking down I noticed something in his um, hand and it was his right hand cause he had his back toward, towards me he hadn't seen me and I see this……and I swear to God it was, it was a barrel of gun. I thought it was the barrel of a revolver, that's what it looked like to me. Um, as I got closer…..oh and he was, he was pointing down at the puddle with this object it was bizarre to me and um, as I'm getting closer….of course the street is wet so along with the engine noise and the sound of the water on my tires I'm, I'm sure that the sound probably alarmed him or there….he probably got concerned there was a car coming but I don't want to assume anything but he did a like a half look over his shoulder. Um, and then he um, like raised the object up in his hand and I don't know if it was like tucked under his cuff because he was wearing a um, big baggy like a sweatshirt uh, dark colored um, he had uh, dark colored pants on um, he had a beanie on um, I could tell he was white cause I could see the back of his neck he was white and he looked over and I could see his face was white I could see like half of his face, the right side of his, his um, face from his nose to his ear and then the back of his head so I know he saw me. At that point he um, raised the object up into his cuff or he tucked it under his arm and he started jogging away from me towards the corner. This is, this is just weird and as we, as PC 832.7 (b)(5)(B) and I got closer to the corner all of a sudden his hand

REPORTING OFFICER	BADGE	DIVISION	APPROVED BY	BADGE	DATE AND TIME OF REPORT
Camacho	538		Clark	19	Thu 01/17/2019 13:00

started diving down into his waistband and what I mean by that cause I was behind him, his arms went from down to his side to in his front and I could see that his arms were bent for a moment and then his arms um, went flat, so from I'm looking behind his arms extended down to the front of his body and I remember turning to [redacted] I'm like what is this guy doing and I don't remember, I can't remember if [redacted] said something to me like I don't know or I, I, I don't know what he said, if he said anything to me. The, so I slowed down cause I didn't know what he was doing um, I remember getting a….the best way I can describe it is um, a burning sensation in my stomach. Call it a gut hunch, a feeling whatever, I started having the hairs on my arms whatever were starting to stand up I just got this weird feeling about the whole situation. Um, so I slowed the vehicle down he then rounded the corner and it's a short distance from the corner of the sidewalk to the next entrance/exit in front of the Firestone on the, on the west side of Orchard Loop and he got to that entrance and I'm starting to come around the corner at which point he veers off the sidewalk and he starts walking quickly towards the um, Firestone business. I remember him, he still had his hands in front of him and I remember him even making more specific movements like very, very furtive movements like he was going deeper into his waistband, he actually hunched over for a minute and by that time it is just….I started reacting I, I, I took off my seatbelt…..the car was still moving and um, I drew my service weapon out of my holster and I had it pointed at the center console where the light bar controls are and everything cause this whole thing was just all of a sudden it was just turning weird and he kept digging into his waist and I'm like there's something, something going on. I remember opening my door with my left hand um, and then I kicked it open with my left foot and I braced my foot against the door so I at least had an opening to go to if I needed to get out. I started braking and as I slowed I brought my gun up and my gun was between the driver side pillar and the frame of the door so it, to me it looked like a V, that was my, that was my view. Um, I got my gun up, I got my left hand up on my gun and I got into um, a position where I, I felt comfortable where I could defend myself if need be at which point I yelled to him let me see your hands and I yelled it out really loud let me see your hands. There was no response. He still had his hands in front of him at which point he spun counter clockwise and it was probably one of the fastest spins I have ever seen a suspect or anybody else do, it was so fast. His hands never went up and in fact when he spun his hands came around and they were chest level, somewhere between his stomach and the top of his chest out in front of him and I remember trying to watch his hands cause I didn't know where his hands were and as he spun I saw in his left hand that same black object that to me it looked like a gun and he spun so fast and he moved so fast and I saw that object so fast I discharged my weapon towards him. He immediately dropped the object and I think I was in a bit of shock uh, cause I was waiting for him to drop cause I, I didn't know if I hit him, I didn't know if I didn't hit him I was waiting for a reaction, I was trying to cover him down I didn't know what [redacted] was doing um, so I stood in the or I sat on my seat, gun pointed at him for a moment um, I remember trying to put the car in drive because it was still in um, drive my foot was on the brake um, I was on the edge of my seat so my butt was on the left edge of the driver seat, my foot, my left foot was down on the pavement/um, concrete gutter so that was my position of, of firing. Um, his reaction was his hands went up, his jaw dropped uh, I think he did a quick check on his person before he put his hands, his jaw dropped first I think his hands went on his chest and then his hands went up. Uh, the object fell away from him and it fell to his left and a little bit behind him cause it bounced um, at that point I knew for the time being I was safe um, I did not um, squeeze the trigger again, there was no second shot I saw that it was safe for the time being. Um, I moved around from position of cover at the car um, and I went towards him, as I went towards him I holstered him I told him to turn around that was the second, second command I told him to turn around away from me, he did. I told him to put his hands behind his back, he did at which point I took out my handcuffs from my handcuff pouch on my back and I handcuffed him. I asked him something to the effect as if um, are you shot are you okay he said yes I'm okay, something to that effect, I don't know if those were the exact words but he said he was okay. He said um, I guess I shouldn't have turned around on you that quick, something to that extent. I walked him over towards my patrol car, I had him face the patrol car um, I was concerned he had a weapon on him still so I had him spread his feet and I began to do a systematic search of his pockets, his waistband, his belt, his legs um, he had a beanie on so I took that off um, as I'm doing my pat search his zipper was open and he had a uh, glass smoking pipe sticking out of his crotch which was placed on the uh, hood of my patrol car. Um, I emptied his pockets, to be frank I didn't care what was in his pockets other than weapons, that was my sole purpose for making [redacted] and I safe. Um, once I was assured that he was secure I put him in the um, rear passenger behind the driver seat, I shut the door and um, I walked over, looked at the object that was in the driveway um, I could see where the round hit on the wall of Firestone which was in front of a blue Honda Accord or Civic I think it was an Accord. I walked over and looked at that then I went back to him, I opened the door at some point, I lifted up his shirt to make sure he was okay, to see if he was bleeding. I asked him if he was okay, he said he was okay at which point I closed the door [redacted] at this point was um, Officer [redacted] was behind the, my patrol vehicle um, I asked him if he was okay I asked him if a supervisor was notified he told me uh, they had been notified um, I remember the motor sergeant coming on the radio and asking specifically what, what they, what we had there at the scene um, I remember Officer [redacted] stating that they, we had shots fired at the scene but we were all okay and at that point they confirmed that there was nobody injured.

I got on the radio and I said we're okay, we're fine I just need a supervisor here. Um, at some point I turned on my body camera, I think it was after I handcuffed him uh, I did not physically turn on my body camera before and I did not physically turn on my in car camera as well, it usually comes on by itself when you put it into um, code two or code three status with the lights so. Um, I was scared. I don't get scared a lot um, Dustin and I were having a conversation earlier and um, I told him I've encountered a lot of things, I've been doing this for twenty years, I don't get scared that's why the training takes over um, today I was scared and I was actually more scared for my partner cause I felt like I was responsible for him and I never would have forgiven myself if something happened to him and I'm also angry at the suspect for putting me in this position cause I just wanted to go eat my lunch, that's it. (crying) if it was just another guy walking down the street I never would have bothered him but today was totally different and his actions were totally different, more so than anybody I've encountered in the past and I've encountered a lot of people and as a motor officer you don't typically pull people over that are walking down the street and I've stopped thousands of cars in the last three years and I've written a lot of tickets and I've never been as scared in any of those instances than I have today and I know he saw me cause he turned towards me. He made an active decision to walk and run away from me and he made an active decision to not turn around when I told him to and that's why I fired my gun because I was scared.

INGRAHAM: Can I pop in and just clarify something?

CAMACHO: Go ahead.

INGRAHAM: Um, Paul did you, you said he active decision not to turn around when you told him to but listening to your statement you mean when you told him to raise, show, show you his hands, is that what you meant?

RESCH: Yes, yes he disobeyed my order, he was not listening to me.

CAMACHO: And is there any doubt in your mind what so ever that he did not hear your commands?

RESCH: No doubt and I didn't, I didn't get specific on that let me tell you why my thought process. I'm in a fully marked SUV, it's a V8, it's loud the streets are wet so you can hear the water coming off the tires as I'm driving down the street and I'm not driving slow I'm probably driving 25-30 miles an hour down the street. He's on foot, he's not on a motorcycle he's not in a car he doesn't have a distraction he doesn't have radios, headsets anything, he could hear me coming. He saw me, he turned around he saw me, he looked in my direction he saw me coming, he started running he got to that corner he rounded that corner, as he did that he put his hands in front of him whether he was going down his pants, in his waistband, whatever he knew I was coming towards him. He got towards that west entrance and I know he could hear me coming up behind him because I slowed, my car door kicked open he obviously didn't see me pass him so he knew I was still behind him which is why I yelled at him to show me his hands. One of my other considerations and concerns that is a highly populated area, there's a lot of people there and that was my other concern was there……we get a lot of gun calls in Elk Grove, false or not we still have a duty to protect people, that's our number one job. He's in a highly populated area, he actively went away from me, away from my car, away from my command and he went towards a place of business namely Firestone where the parking lot was full, there were people outside all be it on the east side but there were people in close proximity there's an entrance door in close proximity to him so that was my other concern too was if he did in deed have a weapon, which I perceived he had a weapon my concern was stopping him before he got anywhere near anybody else to hurt them.

CAMACHO: The safety of the public?

RESCH: The safety of the public yes.

CAMACHO: And in your twenty years in law enforcement is it your experience that individuals on the street um, during….at vehicle stops uh, that they carry firearms in their front waistband?

RESCH: I've dealt with a lot of firearms uh, I've dealt with a lot of firearms and a lot of different places um, people carry them all over. Um, a lot in the waistband, it's easy access a lot in the back waistband for concealment. I honestly thought he was getting ready to shoot. I though he was doing something with what I perceived as a gun and he was going to shoot me or PC 832.7 (b)(5)(B) that was my thought process.

CAMACHO: Did he ever further elaborate why he turned around so quickly?

RESCH: No he just made that comment I guess I probably shouldn't have turned around that fast and then I just left it alone. I was in shock too so um, I did not want to elaborate I wanted to get him safe, I wanted to get me safe and I just stuffed him in the back of the seat other than to make sure that he was not injured or needed medical attention.

CAMACHO: I just wanted to clarify one thing. Earlier in your uh, statement you had stated he had, the suspect hunched over for a minute.

RESCH: Okay yes let me clarify that. It wasn't a minute.

CAMACHO: Yeah I……

RESCH: Um, so he hunched and it was, it happened really, really fast all the events happened really, really quickly it was a split decision a split second decision so when I say a minute I misspoke, it wasn't a minute it did not, this did not go on, it was not an elaborate event, it happened very, very quickly. He hunched over for a second or two, he was digging in his pants at which point I was pulling up in the vehicle, I was getting set um, to cover him and then he just spun and turn. It happened very quickly very, very quickly.

CAMACHO: Are you right handed or left?

RESCH: I am right handed, yes.

CAMACHO: Something I didn't ask you earlier, what was your call sign?

RESCH: Motor 25 and PC 832.7 (b)(5)(B) is Motor 21 just for clarification.

CAMACHO: And you may have stated this earlier in the interview and your statement um, when did you activate your lights on your car?

RESCH: I never activated my lights on the car.

CAMACHO: Never okay sorry I misunderstood.

RESCH: It's okay, it's okay.

CAMACHO: Um, you have anything?

WALTHER: Um umm.

CAMACHO: You have anything?

INGRAHAM: Yeah I was gonna……

CAMACHO: Okay go ahead.

INGRAHAM: Um, so Paul you said that you believe that when the um, individual here kinda did the half look over the shoulder that he knew that you were the police? Did he identify you as the police do you think or did…..would a reasonable person have known?

RESCH: I think a reasonable person would have known. Obviously his actions um, led me to believe that he knew I was behind him, not me personally but a police officer in general um, he got very jittery, skittish if you will um, he tried to hide that object in his right hand. I remember it bouncing up and down in his hand as he's trying to conceal it. As he started running towards the corner he did another this time full look back at me at which point I was getting closer to him at which point at the corner when we, when he reached the corner that's when he began um, putting his hands in his waistband or the front of his pants or the front of his person as I was getting closer.

INGRAHAM: So am I to summarize what you are saying was it two separate glances over the shoulder in your direction?

RESCH: Yeah so it was a half glance at first, he started moving that object around and he got that object in him he started the run and then he did a full head um, turn in my direction, I could see his pretty much three quarters to full face and he looked away and he continued to run away from me.

INGRAHAM: I think Sergeant Camacho, Camacho right?

CAMACHO: Detective Camacho.

INGRAHAM: Detective Camacho.

RESCH: You got promoted.

INGRAHAM: Congratulations. Um had asked you about the waistband issues and what is commonly you know what significance that has so I think we touched on that adequately um, I guess my only other question is um, when the, this individual spun around so quickly, did that cause you um, fear or concern?

RESCH: Yep that was um, that was the pinnacle, the fear. Um, I've seen a lot of people move pretty quickly this is probably one of the fastest spin moves I have, I've ever seen I mean it was so fast and of course when you're not expecting it you get that delay and then even more so when you're trying to see those hands, those hands are the most important thing because that's what's holding the weapon and I saw that in his left hand I, I couldn't believe it I….then I fired.

INGRAHAM: I guess what I'm trying to ask you is why did the fast spin cause you fear?

RESCH: I felt because he was hunched over, because he had hands in his waist that he had a weapon that he was trying to get away from me, he was trying to hurt or do damage or kill me or hurt or do damage and kill PC 832.7 (b)(5)(B) and it happened so fast.

INGRAHAM: Um hmm.

RESCH: And that's when my training took over, I perceived a threat, I saw a threat and I fired my weapon. There was no time to think, there was no time to say he's turning around you have to fire your weapon there was noth…..it was, my training took over, I saw the object in his hand and I fired my weapon, it happened that quick.

INGRAHAM: Detective I think that's um, all my questions for now.

CAMACHO: I have just one more, two more. Uh, can you approximate the amount of distance you were from the suspect?

RESCH: From my car to the suspect?

CAMACHO: Yes.

RESCH: fifteen feet….ish.

CAMACHO: Okay and can you briefly explain why being able to see an individual on the streets hands is so crucial to um, officer safety?

RESCH: Hands are life or death, hands carry weapons, hands pull the trigger, hands hold a knife um, whenever we do traffic stops that's the first thing we look for when we walk up on a car is where, where's those hands. We look in mirrors, we look on side mirrors, we look in the rearview mirror um, we look in the front windshield the, the, the um, reflection off the front windshield we always want to know where those hands are. Um, this guy didn't, didn't show me his hands, he was making movements to conceal his hands from me. For law enforcement as a police officer if you don't see the hands its danger and you have to control those hands, that's the only thing between life and death are the seeing those hands. That's why I got my gun out early because there was something with this guy he was making those movements…..a normal person would put their hands in their pockets and come out, this guy was actively not showing me his hands, he knew I wasn't there or he knew I was there at which point I drew my gun and had it ready because I had a steering wheel in front of me, I was in a car I wasn't on my bike, I've got pedals now I've got to deal with, I got a car door that was closed on me I've got nowhere to go, I'm the closest person to him so I started thinking I need to get prepped for this coming out of the vehicle really quickly so as I rounded the corner I opened the car door, I shoved it open with my left foot, I got my gun out, out of my holster, I had it pointed down at the center console and he still wouldn't show me his hands. I'm like he's still not showing me his hands. I came up, I covered him, I yelled at him, he still didn't show me his hands and when he finally whipped around after telling him to show me his hands, he had an object in his hands and I thought it was a gun and I thought he was going to shoot myself or PC 832.7 (b)(5)(B) or both.

CAMACHO: Do you have anything more?

INGRAHAM: No sir.

CAMACHO: Nothing?

WALTHER: Um umm.

CAMACHO: Anything else you want to add?

RESCH: No.

CAMACHO: The time is 1950 hours and this concludes the officer's interview.

This supplemental report may contain summaries of interviews which were either video and/or audio-taped. It is not a transcript of the interview, but merely a brief summary of the detective(s) understanding of the interview. The summary was constructed from notes taken during the interview. Please refer to the video and/or audio recording for the interview for the exact wording and content of the statement.

1113 hours, 1-17-19 (Thursday): I, Detective Cabrera #1499 (U211) was assigned to the Sacramento Sheriff's Department Homicide Bureau. At this time, I was notified by Sergeant K. Clark #19 of an officer involved shooting that had occurred at 8094 Orchard Loop Lane within the County of Sacramento. He further advised me the involved party was an officer with the Elk Grove Police Department. He requested I respond to this location to assist with the investigation.

1200 hours: I arrived on scene and met with Homicide Detectives Camacho #538, Crowley #1330, Walther #61, and Sgt. Clark.

1220 hours: We held a homicide briefing, which consisted of responding deputies, EGPD officers, CSI deputies, and homicide detectives. During the briefing, responding deputies related the following in summary:

Sergeant Prehoda #93, (Unit 61S):

Sgt. Prehoda stated he responded to the call of an officer involved shooting, which occurred at 8094 Orchard Loop Lane. When he arrived on scene he identified the Elk Grove Police Officer's involved in the incident were Ofc. Resch #150 and Ofc. PC 832.7 (b)(5)(B)

Sgt. Prehoda stated that per the officer's statement to him, the suspect who was later identified as Jason Gonzalez-Warren had been acting suspicious prior to the shooting. They further told him, they decided to follow Gonzalez-Warrant westbound on Orchard Loop Lane until they reached the Firestone Auto shop parking lot. Sgt. Prehoda stated Ofc. Resch directed Gonzalez-Warren to stop and show him his hands. Suddenly, Gonzalez-Warren spun around while holding an object in his hand, which appeared to him to be a gun. Fearing for his safety, Ofc. Resch fired one round at Gonzalez-Warren, missing him. Ofc. Resch then approached Gonzalez-Warren and detained him in the rear of his patrol vehicle.

Sgt. Prehoda stated that both EGPD and SSD units arrived and set up perimeter tape around the crime scene. He further stated there were a few surrounding businesses with surveillance cameras and there were several deputies canvassing the area for additional video footage.

EGPD Officer George #952 and Officer Lee #304, Unit David-6:

Ofc. George stated he was assigned as a two-man unit with Ofc. Lee. He further stated when they arrived on scene, they spoke with an employee of the Smog 'N Go who identified himself as PC 832.7 (b)(5)(B) with a date of birth of PC 832.7 (b)(5)(B)

According to PC 832.7 (b)(5)(B) he saw a White guy running southbound on Orchard Loop Ln. with an officer behind him. He said the officer had his gun drawn and was pointing it at the subject. He stated he heard the officer yelled at the subject to drop whatever was in his hands before he fired one round at him. He further stated the he saw the subject put his hands up after the gunshot.

EGPD Officer Vargas #277, Unit David-41:

Ofc. Vargas stated he arrived on scene and spoke with an employee of the OILSTOP, who identified himself as PC 832.7 (b)(5)(B) with a CA DL # of PC 832.7 (b)(5)(B) Per PC 832.7 (b)(5)(B) he was standing outside of the bay door when he saw a White guy across the street. He stated he also saw a police officer get out of his patrol vehicle, followed by the sound of one gunshot. He further stated he then saw the subject being taken into custody.

PC 832.7 (b)(5)(B) told Ofc. Vargas he did not believe the OILSTOP had surveillance cameras.

EGPD Officer Karimi #302, Unit Traffic-23:

Per Ofc. Karimi, he arrived on scene and spoke with an employee of the Firestone Auto shop who identified himself as PC 832.7 (b)(5)(B) with a date of birth of PC 832.7 (b)(5)(B) Per PC 832.7 (b)(5)(B) he saw two White subjects wearing dark clothing running westbound on Orchard Loop Ln. and then heard a loud "boom". He stated he did not see or hear anything else after that.

SSD Deputy Pena #1359, Unit 65A1:

Per Deputy, he arrived on scene and spoke with a witness who identified himself as PC 832.7 (b)(5)(B) with a date of birth of PC 832.7 (b)(5)(B) Per PC 832.7 (b)(5)(B) he was on his phone when he heard a single gunshot. He stated he also saw a male subject wearing dark clothing running westbound on Orchard Loop Ln.

End of Briefing – See patrol reports for further details.

1250 hours: We conducted a walk-through of the crime scene.

At the conclusion of the walk-through, I was tasked with documenting scene observations of the scene **(See Attached Scene Observations for details).**

While on scene, I was informed GONZALEZ-WARREN had actually sustained a graze wound underneath his right nipple and was being treated at Kaiser South Hospital.

STATEMENT OF: JASON GONZALEZ-WARREN
DETECTIVE CABRERA #1499
#19-20147, ELK GROVE OIS
V1: OFFICER RESCH #150

The following is a summary of an interview that was video or audiotaped. It is not a transcript of the interview, but merely a brief summary of the detective(s) understanding of the interview. The summary was constructed from notes taken during the interview. Please refer to the video or audio of the interview for the exact wording and content of the statement.

2052 hours, 1/17/19 (Thursday): Detective Crowley #1330 and I, Detective Cabrera #1499 spoke with Jason GONZAELZ-WARREN in an interview room at the Elk Grove Police Department. The interview was audio recorded and later saved to a CD disc, which will remain in the homicide media library at CID.

GONZALEZ-WARREN stated the following summary:

> I am originally from the Bay area. I am homeless and have been for the last five years. I have been staying in the area where I got shot for a few days. I have been in Sacramento County for 4 months. I don't have a cellphone.
>
> I woke up this morning and walked to the Starbucks located across from the Lowe's. I stood outside and rapped for a while before I left. I left because they told me to leave. I guess I was causing a disturbance there.
>
> I decided to run across the street to the Marriott to smoke my meth. It was windy and I wanted to hide behind the building so I could light my pipe. I literally run everywhere I go, that's why I was running there. When I was running, I turned and saw the police car coming my way. I figured it was the people at Starbucks who called the police on me.
>
> As I was running, I had a feeling they were coming after me so I told myself "run faster". I had my meth pipe in one hand and a lighter stick in my other hand. Fearing that the cops would find the pipe on me I decided to shove it into my crotch area. My pants have a small loop inside of the front zipper where I hide my pipe when I know I am about to get stopped by the police. It works every time, as no officer has ever found it until today when the officer who shot at me found it.
>
> I ran to the bend in the road and turned corner. That's when I heard the officer tell me to stop and drop what I was holding in my hand. I stopped and quickly turned around to face the officer.

I asked him, how fast he had turned around to face the officer and he responded with the following:

> It was super-fast. It was the fastest ever!

That is when the officer shot at me. I immediately put my hands in the air. I didn't know I was actually shot until I got to the police station. I decided to not say anything because I thought I was going home and I didn't want to hold up the process.

COMPLAINANT/VICTIM (LIST FIRST VICTIM IF MORE THAN ONE)

There is a salt and pepper colored, knit beanie lying on the east side curb-line of Orchard Loop Ln, just east of the patrol vehicle's, driver's side door. The beanie is lying on the curb-line above the storm drain located within the street gutter.

There is a blue and white colored bandana lying in the street gutter two (2) feet south of the beanie. The bandana is folded into the shape of a square. There is a clear plastic baggie, which is visible from one end of the bandana. The plastic baggie contains a green leafy substance commonly known as marijuana.

Located 1 foot south of the bandana is a broken glass pipe, which is commonly used for smoking narcotics. The glass pipe is located within the street gutter. Located next to the glass pipe, also within the street gutter is one (1) silver colored spent shell casing. The shell casing is located in between the curb-line and the front driver side fender of the patrol vehicle.

Located 30 feet southeast from the driver's side door of the patrol vehicle and 18 feet from the east curb-line of Orchard Loop Lane is a blue colored, extended, 'Bic' barbeque lighter stick. The lighter is lying in the driveway located in the northwest corner of the parking lot.

There are five (5) marked parking stalls located on the north side of the Firestone Complete Auto Care. Currently there are two (2) vehicles parked in two of the stalls. From west to east, the vehicles can be described a White Lexus IS 350 with CA license plate PC 832.7 (b)(5)(B) This vehicle is backed into the parking stall with the front end facing north. There are no visible defects on this vehicle and it appears to be in running condition.

Located two stalls over, is a Blue Honda Accord with a CA license plate PC 832.7 (b)(5)(B) This vehicle is parked with the front end facing the establishment. There are no visible defects on this vehicle and it appears to be in running condition.

There is a defect the size of a quarter located on the stucco wall of the establishment on the north side. It consist of chipped stucco. It is located 7 feet south from the front driver's side bumper of the Honda Accord and 3 feet up, from the ground. There is a small spec of red colored residue located in the center of the defect.

There is stucco debris on the hood of the Blue Honda Accord. The debris appears to have come from the defect in the wall. Located on the ground, 2 feet east of the Accord's driver's side door are additional specs of red colored debris. The debris on the ground is consistent with the debris located in the center of the defect on the wall.

ASSIGNMENT/CALL-OUT
EGPD OFFICER INVOLVED SHOOTING
DETECTIVE CROWLEY #1330
V1: EGPD OFFICER RESCH #150

1113 Hours; 01/17/19 (Thursday): I, Detective Crowley #1330, was assigned to the Sacramento County Sheriff's Centralized Investigations Homicide Bureau. While on duty and monitoring the Sheriff's Computer Aided Dispatch system (CAD), I noticed an Assist Outside Agency call involving Elk Grove Police Department officers at Power Inn Road and Orchard Loop Lane. The text of the call read EGPD officers were involved in a shooting which occurred at 8094 Orchard Loop Lane within the County of Sacramento.

Sergeant Clark #19 contacted me and requested I respond to the scene along with Detectives Cabrera #1499, Camacho #538, and Walther #61.

1200 Hours: Detective Camacho and I arrived at the east end of Orchard Loop Lane and prepared for the briefing with responding EGPD and SSD patrol and CSI officers.

1220 Hours: We held the briefing in the roadway, northeast of the scene. The following information was relayed to us in summary:

> **Sergeant B. Prehoda #93 (Unit 61S):** I noticed the Elk Grove officer involved shooting call on Orchard Loop Lane and on-viewed to assist at 1056 hours.
>
> The Elk Grove officers were a two-man traffic unit identified as driver, Officer Paul RESCH #150, and passenger, Officer PC 832.7 (b)(5)(B). While traveling westbound on Orchard Loop Lane, Officers RESCH and PC 832.7 (b)(5)(B) noticed a white male subject, later identified as Jason GONZALEZ-WARREN (DOB: 05/12/93), who was acting suspiciously.
>
> As the Officers continued to follow GONZALEZ-WARREN westbound Orchard Loop Lane, he began to run. The Officers continued to follow the subject westbound Orchard Loop Lane until they reached the *Firestone* auto shop parking lot, south of where the Officers originally saw GONZALEZ-WARREN. Sergeant Prehoda said Officer RESCH directed GONZALEZ-WARREN to stop and show his hands; however, he quickly spun around with an object in his

hands which appeared to be a gun. Fearing for his safety and that of his partner, Officer RESCH fired one round at GONZALEZ-WARREN who was then taken into custody and placed in the back of the patrol car (Vehicle #165).

Both EGPD and SSD units arrived on scene and put crime scene tape around the scene.

Sergeant Prehoda said the *Big O* tire shop and *Smog & Go* both have surveillance video of the incident. Deputy Chaplin #1013 was currently canvassing the area for witnesses while Deputy Arbuckle #1433 was inside the *Fairfield Inn & Suites* also looking for civilians who might have witnessed the shooting.

EGPD Officer B. George #952 (Unit David 6) & EGPD Officer Lee #304 (Unit David 6): Officer George said he was doubled up with Officer Lee who spoke with a subject identified as PC 832.7 (b)(5)(B) (DOB: PC 832.7 (b)(5)(B) who was an employee at *Smog & Go*.

Officer Lee said PC 832.7 (b)(5)(B) told her he saw a white guy running southbound on Orchard Loop and an officer with his gun drawn. PC 832.7 (b)(5)(B) stated the officer yelled at the subject to drop something and show his hands after which the officer fired one round at him. Immediately after the shot was fired, the subject put his hands in the air.

See EGPD Officer Lee's Supplemental Report.

EGPD Officer Vargas #277 (Unit David 41): Deputy Vargas spoke with an employee of *Oilstop Drive thru Oil Change* identified as PC 832.7 (b)(5)(B) (DL: PC 832.7 (b)(5)(B) said while he was standing outside of the bay when he saw a white guy cross the street. PC 832.7 (b)(5)(B) stated he then saw an officer get out of the passenger side of the patrol vehicle with his gun drawn. PC 832.7 (b)(5)(B) said he did not hear anyone say anything but did hear one gunshot and saw a subject being arrested. PC 832.7 (b)(5)(B) said he did not think *Oilstop* had video surveillance.

Officer Vargas also noted the General Manager of the hotel, PC 832.7 (b)(5)(B) had video surveillance which kept for two weeks.

See EGPD Officer Vargas' Supplemental Report.

EGPD Officer Karimi #302 (Unit Traffic 23): Officer Karimi spoke with the manager of *Firestone* identified as PC 832.7 (b)(5)(B) (DOB: PC 832.7 (b)(5)(B) who indicated after he saw two male subjects wearing dark clothing running westbound, he heard a 'boom.' PC 832.7 (b)(5)(B) said he did not see or hear anything else.

See EGPD Officer Karimi's Supplemental Report.

Deputy Pena #1359 (Unit 65A1): Deputy Pena said he spoke with a witness identified as PC 832.7 (b)(5)(B) (DOB: PC 832.7 (b)(5)(B) who stated he was on a telephone call at 1053 hours when he heard a gunshot. PC 832.7 (b)(5)(B) said he saw a guy wearing all black clothing running westbound on the south side of Orchard Loop Lane.

See Deputy Pena's Supplemental Report.

End of Patrol Briefing

1250 Hours: Detectives Cabrera, Camacho, Walther, and I conducted a walk-thru of the scene. During the walk-thru, I observed a long blue *Bic* BBQ-style lighter with a long black cylinder in the *Firestone* parking lot and a shell casing on the ground adjacent to the Officer's patrol vehicle. I also observed a defect on the north wall of the *Firestone* auto shop. I remained on scene to assist Detective Cabrera with scene observations as well as search for additional surveillance cameras.

I also later contacted individual store clerks at the *76/Circle K* and the *AM/PM* mini mart/gas stations for recent *Bic* bbq style lighter sales/thefts with negative results.

1747 Hours: Prior to leaving the scene, I met with Deputies Flores #448 and Seger #973 and obtained DVDs containing all of the business surveillance videos.

1830 Hours: I arrived at the Elk Grove Police Department station. Detective Camacho and Walther were assigned to interview Officer Resch while Detective Cabrera and I would later speak with GONZALEZ-WARREN when he was released from the hospital and transported to EGPD.

Notes/Narrative

SYNOPSIS:

While in the unincorporated area of the County of Sacramento, the involved officers observed the offender running down a sidewalk in a busy business district with an item in his hand that appeared to be a firearm. When officers attempted to contact the offender, he had his back to them and began to conceal the item in front of his pants. Officers repeatedly ordered the offender to show his hands, but he refused. Without warning, the offender quickly turned around so he was facing the officers and pulled his hands from his pants. Fearing for his and another officer`s safety, an officer discharged one round from his handgun in the direction of the offender. The offender complied with the officers and was taken into custody. It was later discovered the offender sustained a minor grazing wound to his abdomin. The offender was treated at a local hospital and medically released. The offender was booked into Sacramento County Jail.

OFFICER MILLS NARRATIVE REPORT

At the start of my shift, I was wearing a body worn camera device and it was affixed to my uniform. At the time of the incident, the camera system was on, properly working and was recording the events facing to the front of me. At the end of my shift, I placed the camera into the assigned download cradle and all content was automatically uploaded to the WatchGuard Evidence Library storage space.

On Thursday , 1/17/2018, I, Ofc. J. Mills (TR17), was on duty, in full police uniform, driving a fully marked EGPD patrol vehicle #182 (SUV). At approximately 1056 hrs I was parked in the parking lot of the Texas Roadhouse restaurant located at 8094 Orchard Loop Ln. I overheard Ofc.[redacted] (M21) advise on the radio that he was out with a subject in front of Texas Roadhouse and was "detaining one". I hadn`t seen Ofc [redacted] pull into the parking lot. I exited my patrol vehicle, which was parked on the northeast corner of the restaurant. I walked to the front door of the restaurant and didn`t see Ofc.[redacted] Dispatch asked Ofc.[redacted]f he needed another unit. I told dispatch I was at this location and looking for Ofc.[redacted] Ofc.[redacted] voiced via radio he was just north of my location. Ofc[redacted]equested I respond to his location.

I went back to my patrol vehicle and pulled out onto Orchard Loop Ln. I saw an EGPD SUV patrol vehicle parked on Orchard Loop Ln, north of my location. It was parked facing SB on Orchard Loop Ln on the east curb line. It was just north of the driveway of the Firestone tire business, located at 8055 Orchard Loop Ln. As I was pulling out of Texas Roadhouse, it looked like one officer was searching a subject on the east side of the patrol car.

As I pulled up near the south portion of the driveway to the Firestone business, Ofc.[redacted] motioned for me to stop. He informed me that this was a crime scene and asked me to rope off an area with some crime scene tape. I noticed that Ofc. Resch (M25) was on scene as well and appeared to have been doubled-up in the patrol vehicle with Ofc.[redacted] Ofc[redacted] pointed out an item in the parking lot of Firestone and said it was going to be evidence. The item appeared to be a lighter. It had a black extension tube and a dark blue handle. Ofc[redacted] directed me to block off Orchard Loop Ln

Notes/Narrative

near the south side of the Firestone building. He also advised this was an officer involved shooting incident and requested additional units.

Ofc [redacted] directed me to tape off the parking lot on the north side of the Firestone business. I extended the tape west across Orchard Loop Ln toward the Fairfield Inn, and then north along the west sidewalk. The crime scene continued north to the driveway of the Oilstop Drive Thru and then east toward the Smog N Go shop at 8034 Orchard Loop Ln, then back south to the east side of the Firestone parking lot and back to the north east corner of the Firestone building.

Additional officers and supervisors began to arrive at the location. Lt. Schnepple arrived and took over incident command. At 1123 hrs, Lt. Schnepple requested I watch the male subject that had initially been detained. That subject had been walked to and transferred from Ofc [redacted] patrol vehicle and into the left rear seat of EGPD patrol SUV # 165 by another officer. I watched the subject until relieved by Ofc. Karimi (TR23). My Body Worn Camera was still active until relieved. The In Car Camera in vehicle 165 had not been activated. I activated it after a supervisor asked if it had been turned on. When I checked it had not been.

Staff from the Sacramento Sheriffs Department responded to the scene and took over the investigation as the location falls under their jurisdiction.

*** SUPPLEMENTAL REPORT TAKEN BY OFFICER PC 832.7 ***

1055 Hours, 1/17/2019(Thursday): Officer Resch and I, Officer PC 832.7 Badge No. PC 832.7 (Unit M21), were assigned to directed traffic enforcement within the City of Elk Grove, in the County of Sacramento. We were dressed in full uniform and driving in patrol vehicle 17-184. Our primary duties were traffic enforcement, accident scene traffic control, school zone enforcement, and general patrol duties as needed.

At the start of my shift I was wearing a body worn camera device and it was affixed to my uniform, facing to the front of me. At the time of the incident, the camera system was on, properly working, and was recording the event.

On this day, the sky was dark and cloudy and the street was wet from recent rain. Officer Resch was the driver and I was sitting in the front passenger seat.

We were working on traffic enforcement in the area of Calvine Road and Power Inn Road. We were traveling westbound on the 8000 block of Orchard Loop Lane, when I observed a male adult (later identified as Gonzalez-Warren, Christopher) who was traveling on foot. Gonzalez-Warren was wearing a black beanie cap, black pants, acting nervous and running on the south side of the sidewalk.

I am very familiar with the area in which we observed Gonzalez-Warren, as I have conducted numerous traffic enforcement stops in the area. This area is zoned for commercial businesses. There are numerous businesses nearby, including three gas stations, a few automotive shops, and a nearby Texas Roadhouse restaurant.

Gonzalez-Warren hunched his shoulders as he headed westbound on Orchard Loop Lane. As he was running, he periodically turned his head to glance in the direction of our police vehicle. It appeared he was nervously anticipating our approach. I could not see what Gonzalez-Warren was holding but his right hand was bent less than 45 degrees and his left hand was moving back and forth horizontally. He then began manipulating his hands in front of his waistband area while he was running away from us.

His head was drawn to the nearby Firestone Complete Auto Care business. Gonzalez-Warren continued manipulating his hands in front of his waistband area. Based on my training and experience, I feared he may have been racking the slide of a handgun or clearing a malfunctioning gun. I formed this suspicion based on my training on weapons manipulation with many hours on the gun range as well as classroom weapon instructions. Gonzalez-Warren`s actions indicated he may have been attempting to clear a weapon or chamber a round into a firearm.

I suspected he had either recently committed a felony crime such as robbery of a nearby business, shot someone or

Supplement Notes

was preparing to commit a violent crime with a deadly weapon based on his gestures. I unlocked my gun holster with my right hand while I was sitting in the front passenger seat because I feared an imminent threat to my and Officer Resch`s safety. Officer Resch directed our patrol vehicle toward the south side of the street and initiated a subject stop.

In my 10 years of experience as a sworn Peace Officer in the State of California, and 3 years as a Motor Officer, it is uncommon to draw my firearm prior to making contact with a subject. During my special assignment as a Motor Officer with the Elk Grove Police Department, I have made upwards of 5,000 contacts with drivers including numerous subject stops. These enforcement contacts typically do not necessitate pointing my weapon at someone unless I fear a threat to my safety. Based on my training and experience, Gonzalez-Warren`s actions were not normal behaviors of a person on the street. I perceived Gonzalez-Warren as threat to the community and myself.

Based on my perception of Gonzalez-Warren as a threat to my and Officer Resch`s safety, I drew my service weapon with my right hand and used my right foot to kick open the passenger door as we approached Gonzalez-Warren. Our police vehicle was still slowly rolling forward and I got out of the passenger seat quickly. I was standing next to the outer edge of the passenger door and I pointed my handgun at Gonzalez-Warren. I heard Officer Resch yell at the subject to show his hands. Gonzalez-Warren did not immediately comply with Officer Resch`s commands. He continued running toward Firestone. Gonzalez-Warren brought his hands close to his waistband area. He moved his right hand from this waist area and quickly spun counterclockwise at us. I was acquiring my handgun front sight at Gonzalez-Warren when I heard a single shot coming from my left side. Gonzalez-Warren dropped a dark object (later identified a large barbecue grill utility lighter) on the ground next to him. Gonzalez-Warren slowly raised both of his hands up in the air facing at us. Gonzalez-Warren appeared uninjured from the shot.

As Officer Resch detained Gonzalez-Warren, I noticed our patrol vehicle was rolling backward. I glanced into the interior of the patrol vehicle and saw the vehicle gear shift lever was not in park. I jumped back into the passenger seat and shifted the vehicle into park. I voiced over the radio that a shot was fired as more units arrived to assist with the critical incident.

Gonzalez-Warren, Christopher 5/12/1993.

SUPPLEMENTAL REPORT

On 1/17/2019 I, Officer Vargas #277 (D41) was on patrol in the City of Elk Grove, County of Sacramento. I was driving a marked Elk Grove Police vehicle (165), wearing a patrol uniform. I responded to the call location in regards to a call of shots fired. I arrived on scene and was directed to conduct a search for possible witnesses.

The first business I went to was Oil Stop Drive Thru Oil Change located at 8046 Orchard Loop Ln. I contacted WPC 832.7 (b)(5)(B) who provided me the following paraphrased statement.

STATEMENT OF PC 832.7 (b)(5)(B) TAKEN BY OFFICER VARGAS

I was looking out towards the street and I saw a guy with a dark hoodie and brown pants walk around the corner. Then I saw a Police car pull up. The guy in the hoodie was walking away, he looked back at the Police and kept walking away from them, faster than he was before he looked back.

The cop on the passenger side got out and the driver was still inside the car. The cop pulled his gun out and was leaning over the hood of the car. I heard a shot and saw smoke. Then the guy who was walking away put his hands up and they arrested him. When the shot was fired the guy had his back towards the officer.

I didn`t hear the officer say anything before the shot was fired. I could not see his hands until he put them up over his head. I don`t know if he had anything in them when he was walking away, I could not see.

We do not have any cameras on our business.

End of statement

I did not locate any other witnesses at this location.

The next business I checked was the Fairfield Inn and Suites located at 8058 Orchard Loop Ln. I contacted IOPC 832.7 (b)(5)(B) PC 832.7 who is the General Manager of the hotel. He provided me the following paraphrased statement.

STATEMENT OF PC 832.7 (b)(5)(B) TAKEN BY OFFICER VARGAS

We have video surveillance around the hotel property. The video surveillance records for 2 weeks then it will record over itself. The video can be burned onto a USB drive or it can be emailed depending on the file size.

Supplement Notes

End of statement

I did not view the video surveillance, I was shown a live view and it appeared that the camera on the northeast corner of the building would have captured the incident. I did not locate any other witnesses at this location.

After I completed my canvas for witnesses I attended a briefing that was run by Sgt. Prehoda of the Sacramento County Sheriff's Department regarding their investigation of case number 19-20147. During this briefing I relayed all the relevant witness information I had obtained. After the completion of the briefing I was relieved of my position and I transported OF Jason Gonzalez-Warren back to the Elk Grove Police Department where I turned him over to Detective Kostyuk. Jason was left in interview room number 1.

On Thursday, 01/17/19, I, Officer Lenehan #281 (Unit D11) was assigned to patrol for the Elk Grove Police Department. I was wearing a police uniform and driving a fully marked patrol vehicle (Vehicle 158) which was equipped with an in car camera and audio recording system. At the start of my shift I was wearing a body worn camera device and it was affixed to my uniform. At the time of the incident, the camera system was on, properly working, and was recording the event facing to the front of me. At the end of my shift, I placed the camera into the assigned download cradle and all content was automatically downloaded to the WatchGuard evidence lab storage space.

At approximately 1104 hours I was dispatched to smog and go regarding the report of shots fired text of the call stated shots have been fired, but officers were okay. I arrived on scene and noticed an inner perimeter and outer perimeter of the crime scene had already been established. I contacted Smog and Go (8034 Orchard Loop Lane) employee [redacted] [redacted] who identified himself by California Driver License. I spoke with [redacted] who provided the following statement and summary:

INTERVIEW OF [redacted] WAS TAKEN BY OFFICER LENEHAN

I was working the front desk when I heard a single pop but I thought it was a tire which had popped outside. I never saw anything.

END OF STATEMENT

I was unable to locate any additional witnesses at Smog and Go. I spoke with [redacted] at Big O Tires (8022 Orchard Loop Lane) who identified himself by valid California Driver License. [redacted] provided the following statement in summary:

INTERIVEW OF [redacted] WAS TAKEN BY OFFICER LENEHAN

I was on the north side of the business when I heard one gun shot. I did not see anything.

END OF STATEMENT

I spoke with Big O Tires employee [redacted] who provided the following statement in summary:

INTERVIEW OF [redacted] WAS TAKEN BY OFFICER LENEHAN

Supplement Notes

I was doing an oil change when I heard screaming followed by the sound of a single gunshot. I did not see anything.

END OF STATEMENT

I was unable to locate any additional witnesses at that time. At approximately 1122 hours, I established a Crime Scene Log and logged the officers who were inside the inner perimeter. The Officers who were inside the perimeter were as follows:

- -Sergeant Monte (#204)
- -Officer Reilly (#173)
- -Officer George (#952)
- -CSI Figueroa (#1301)
- -Officer Karimi (#302)

At approximately 1125 hours, all officers exited the inner perimeter. At approximately 1128 hours, Community Service Officer Nguyen (#94) took over the crime scene log. I later submitted the crime scene log to the Elk Grove Police Department records bin.

I stood on Orchard Loop Lane east of Big O Tires and stopped vehicles which were exiting the area in an attempt to locate any additional witnesses. I spoke with Big O Tires employee PC 832.7 (b)(5)(B) who provided the following statement in summary:

INTERVIEW OF PC 832.7 (b)(5)(B) WAS TAKEN BY OFFICER LENEHAN

I was inside Big O Tires when I heard a single pop sound. I looked up and saw the officer standing out of the passenger side of the patrol vehicle with his gun pointing at the suspect. I then noticed the suspect drop something from his hands as he was putting his hands up. The cop of the driver side got out of the patrol vehicle and the two officers did what they usually do. They when detained the suspect.

END OF STATEMENT

I spoke with PC 832.7 (b)(5)(B) who provided the following statement in summary:

INTERVIEW OF PC 832.7 (b)(5)(B) WAS TAKEN BY OFFICER LENEHAN

I was facing the freeway when I heard one boom sound. I didn`t see anything.

NARRATIVE:

01/17/19 (Thursday): Officer Guthrie, and I, Officer Karimi (Unit TR 23), were assigned to uniformed patrol in a fully marked black and white police vehicle within the City of Elk Grove, County of Sacramento. Our vehicle (#121) was equipped with an in-car camera (ICC) device for audio/visual recording purposes.

At the start of my shift, I was wearing a body worn camera device and it was affixed to my uniform. At the time of the incident, the camera system was on, properly working and was recording the events facing to the front of me. At the end of my shift, I placed the camera into the assigned download cradle and all content was automatically uploaded to the WatchGuard Evidence Library storage space.

At approximately 1058 hours, Officer Guthrie and I were dispatched to the area of Orchard Loop Ln for a shots fired call. While en-route to the call, M25 advised there was an officer involved shooting with all parties uninjured and units were needed for scene containment. I asked dispatch where I would be needed and was advised to close off the area near Firestone (8055 Orchard Loop Ln) for scene containment/security.

Officer Guthrie and I arrived on scene at approximately 1104 hours and observed other Elk Grove Police Department units securing the area with crime scene tape. Units on scene advised nobody was shot or injured and officers were walking to nearby businesses to obtain witness statements.

I contacted (W PC 832.7 (b)(5)(B) the store manager at Firestone. PC 832.7 (b)(5)(B) stated to me the following in summary:

****STATEMENT OF PC 832.7 (b)(5)(B) OBTAINED BY OFFICER KARIMI***

I was walking inside the shop floor when I saw two Caucasian males with dark clothing running westbound Orchard Loop Ln. I lost sight of them because they kept running and then I heard a loud "boom", near the west area of the building.

When I went to the window to look at what was happening, I saw officers detaining a subject by their explorer. That`s all I saw.

END OF STATEMENT

Officer Guthrie and I searched the exterior of Firestone and the exterior of the vehicles located on the north side of the

SUPPLEMENTAL REPORT BY OFFICER AGUIRRE // LINKED TO SSD CASE #19-20147

On 01/17/19 at 1059 hours, I, Officer Aguirre, attached myself to a subject stop call to assist officers who advised shots were fired near 8094 Orchard Loop Ln. Officers advised they did not need an emergency response, so I proceeded to the scene from the area of Laguna Blvd and Bruceville Rd. I arrived on-scene at 1105 hours.

I entered and parked my vehicle in the Marriott Hotel parking lot, blocking the furthest north east exit onto Orchard Loop Ln. I entered the scene and went to the command post at Smog and Go (8034 Orchard Loop Ln). I was given direction to canvas the Marriott Hotel. I proceeded to the hotel with Officer Vargas and Officer Lee. I did not contact anyone that had seen or heard anything of evidentiary value regarding this case.

I was later relieved from the scene.

SUPPLEMENTAL REPORT

01-17-2019/1056HRS/THURSDAY: I, Officer Evans #264 (D51) was wearing a full department issued uniform and driving in a fully marked patrol vehicle #174. I was dispatched to a subject stop at 8094 Orchard Loop Lane (Texas Roadhouse) in the city of Sacramento within the county of Sacramento.

1056HRS: I arrived on scene in the parking lot of 8058 Orchard Loop Lane (Fairfield Inn) and I assisted with scene security at the southwest corner of the scene.

While I held scene security I interviewed a witness, she verbally identified herself as PC 832.7 (b)(5)(B) (W-11). I interviewed PC 832.7 (b)(5)(B) and she told me the following in summary:

STATEMENT OF WITNESS-11 PC 832.7 (b)(5)(B) TAKEN BY OFFICER EVANS

Less than 15 minutes ago, I was on my break, and having a cigarette in front of the hotel (Fairfield Inn). I was looking down at the ground when I heard a single gunshot. I looked up, I saw a police officer and a suspect (later identified as Jason GONZALEZ, S1, Xref PC 832.7 (b)(5)(B) across the street at Firestone. The police officer was standing in front of his patrol vehicle and GONZALEZ (S1) was standing on the sidewalk in the driveway, closer to the blue sign.

As soon as I saw GONZALEZ (S1), he almost simultaneously put his hands up into the air. Immediately after GONZALEZ put his hands in the air, the officer walked up to him, put GONZALEZ` hands behind his back, and place him in handcuffs. After the officer placed GONZALEZ in handcuffs, the officer walked GONZALEZ to his patrol vehicle and put him in the backseat.

I did not see if the officer had GONZALEZ at gunpoint. I observed GONZALEZ was a white male, late teens, approximately 5`8", wearing all dark clothing. I cannot remember exactly what GONZALEZ was wearing and I did not get a look at his face. I knew GONZALEZ was a teenager by his demeanor.

I did not hear if the officer or GONZALEZ said anything to each other. The whole thing happened really quickly.

SUPPLEMENTAL REPORT TO ORIGINAL REPORT BY
SACRAMENTO COUNTY SHERIFF`S DEPARTMENT 19-20147

NARRATIVE:
On 01/17/2019 at approximately 1100 hours, I, Officer Eisert #306, was doubled with Officer Riley #173, as unit TR15. I heard an officer voice there was shooting incident at Orchard Loop Lane near Texas Roadhouse. We responded to assist and arrived on scene at approximately 1104 hours.

I could see crime scene tape was stretched across Orchard Loop Lane blocking the interior crime scene. Several officers were already on scene. There were no outstanding suspects. I started an area canvas in an attempt to locate/identify any witnesses. I spoke to several people (see below for statements). No one I spoke to actually witnessed the shooting. They all stated they heard one shot. The following statements are from those subjects.

At approximately 1108 hours, I spoke to PC 832.7 (b)(5)(B) W-9) in front of the Smog N Go (8034 Orchard Loop Lane). PC 832.7 (b)(5)(B) told me the following in summary:

STATEMENT TO ME BY PC 832.7 (b)(5)(B)

I was inside of the Smog N Go and heard a gunshot. I saw an officer getting out of the driver`s side door of a patrol car. The officer was walking to a guy with his hands up who was in the parking lot (pointed to the Firestone Parking lot at 8055 Orchard Loop Lane). The officer handcuffed the guy, walked him to his patrol car and placed the guy into the patrol car. All of the officers arrived on scene. I did not see anything prior to the gunshot.

END OF STATEMENT.

At approximately 1122 hours, I spoke to PC 832.7 (b)(5)(B) (W-6), who was sitting in his car in front of the Smog N Go (8034 Orchard Loop Lane). PC 832.7 (b)(5)(B) old me the following in summary:

STATEMENT TO ME BY PC 832.7 (b)(5)(B)
I was sitting in the lobby of the Smog N Go and heard one loud gunshot. I did not see or hear anything else. I came outside when you came on scene.

END OF STATEMENT.

At approximately 1125 hours, I spoke to PC 832.7 (b)(5)(B) (W-8), inside of the Smog N Go shop (an employee working

inside). PC 832.7 (b)(5)(B) told me the following in summary:

STATEMENT TO ME BY PC 832.7 (b)(5)(B)

I was working inside of the Smog N Go shop and heard one gunshot. I stayed in the shop and continued working on a car in the shop. I did not see anything else.

END OF STATEMENT.

At approximately 1120 hours, I spoke to PC 832.7 (b)(5)(B) (W-2), inside of the Oil Stop (8046 Orchard Loop Lane). PC 832.7 (b)(5)(B) is an employee of Oil Stop and was working at the time of the incident. PC 832.7 (b)(5)(B) told me the following in summary:

STATEMENT TO ME BY PC 832.7 (b)(5)(B)

I was inside working and heard one gunshot. I saw the patrol car stopped on Orchard Loop Lane facing southbound. The driving officer had his gun out and was pointing it at a subject in the parking lot (Firestone parking lot). The driving officer`s gun was between the door and the car (door jamb area). The passenger officer got out of the car and the suspect put his hands up. The officers arrested him. I did not see anything else after that.

END OF STATEMENT.

I looked around at the neighboring businesses and saw there were surveillance cameras at the Big O Tires (8022 Orchard Loop Lane). I went to the store and asked a manager, PC 832.7 (b)(5)(B) (W-7), about the surveillance cameras. PC 832.7 (b)(5)(B) was able to access the store surveillance cameras and located the incident. PC 832.7 (b)(5)(B) PC 832.7 (b)(5)(B) had no media to transfer the videos to but played the video for me to review. The video depicted on the surveillance camera was clear. It was difficult to see the entire incident due to the distance of the cameras from the incident (approximately 300 feet away).

On the video from the surveillance camera, I saw a subject in all dark clothing running westbound on Orchard Loop Lane on the south side of Orchard Loop Lane. The subject turned southbound and then eastbound into the Firestone Tires parking lot. I was unable to see anything clearly in the parking lot due to the bushes on the south side of Orchard Loop Lane blocking my view.

I saw a patrol SUV traveling westbound on Orchard Loop Lane shortly after the subject I saw running westbound. The patrol SUV turned left at the end of the road and stopped on the east side of Orchard Loop Lane (facing south). The driving officer exited the patrol car. Shortly after, I saw a subject (believed to be the subject who was initially running) put his hands in the air. I saw the patrol car roll backwards a few feet and stop against the east curb line of Orchard Loop Lane.

I saw two officers approach the subject with his hands in the air. It was difficult to see what happened due to the view blocked by the bushes. It appeared as though the offices walked the subject back to the patrol car and almost immediately started putting up crime scene tape.

On 01-17-19 I, Lieutenant Dan Schnepple (Traffic 1), was on duty, in formal business attire, driving an unmarked Elk Grove Police car. At approximately 1056 hours I responded to the area of 8094 Orchard Loop Lane in response to what had been radio broadcast as an officer involved shooting. Prior to my arrival on scene I heard over the police radio that Officer Paul Resch had shot at a suspect. I arrived on scene and contacted Officer Paul Resch, who was standing near the southern curb line of Orchard Loop Lane, across the street from Smog `N Go (8034 Orchard Loop Lane). I met with Officer Resch, outside of the presence of other officers as I sought a Public Safety Statement.

I asked Officer Resch if he was ok, to which he replied "I`m fine."

I asked Officer Resch if he, or anyone else, had been injured; He replied "no."

I asked Officer Resch how many rounds he had fired; He replied, "One round."

I asked Officer Resch what direction he fired his weapon. Officer Resch point in a southeasterly direction and said, "We located the round strike on the northern portion of the Firestone Auto Care building."

I asked Officer Resch if there were any outstanding suspects; He replied, "The suspect is in custody."

After speaking with Officer Resch, I established myself as "Incident Commander" and broadcasted it over the police radio. I then began directing the action of Elk Grove Police staff at the scene. I directed Sergeant Dave Monti to ensure the perimeter was secure and to begin working with EGPD C.S.I. to identify any articles or points of evidence. I directed Sergeant Jason Jacobo to establish a Command Post at a location of his discretion. Lastly, I directed Officer Brian George to begin coordinating witness identification and statements.

I ensured Officer`s Resch and [redacted] who was an uninvolved witness to the shooting as a passenger in Officer Resch`s vehicle, were isolated from the rest of the officers on scene. Officer Resch was partnered with Officer Bruce Husung and Officer [redacted] was partnered with Officer Joe Riley. I further ensured that suspect was not left unattended and was guarded at all times by Officer Jameson Mills.

I called for the Sacramento Sheriff`s Department to respond to scene, as the location of the shooting occurred within their jurisdiction. Upon the arrival of Sacramento Sheriff`s Sergeant Brian Prehoda I briefed him on the facts and circumstances of the case, as I knew them at the time. After having briefed Sergeant Prehoda I released the scene to him and returned to EGPD.

SUPPLEMENTAL NARRATIVE:

01-17-2019/1500 Hours: I, Officer Holstad (10637) was dispatched to assist with an in custody call. I was requested to relieve the patrol officers who were maintaining custody of Jason GONZALEZ-WARREN, who was a suspect from an officer involved shooting which took place earlier in the day. I responded to the Investigations Division of the Elk Grove Police Department, where GONZALEZ-WARREN was detained in interview room #1.

I was introduced to GONZALEZ-WARREN and it was explained to him that I would be transporting him to the Sacramento County Main Jail, where he would be eventually booked for his outstanding warrant.

I exited the interview room, and GONZALEZ-WARREN was monitored through the live feed off of the security camera in the room. Approximately 10 minutes later, GONZALEZ-WARREN began banging on the door of the room while yelling "Officer!" repeatedly.

I entered the room and asked what he needed. GONZALEZ-WARREN told me he was experiencing chest pain. I asked him what happened and he yelled "Because I got fucking shot!" while lifting up his sweatshirt.

Underneath GONZALEZ-WARREN`s right nipple, I observed a small, approximately 1 inch long, abrasion. GONZALEZ-WARRER had two sweatshirts on, and both sweatshirts had two small holes in close proximity to one another, on the right side of his chest. I recognized the holes in the sweatshirts to be possible entrance and exit holes from a bullet. With that in mind, I recognized the wound as being a possible graze wound from a bullet. The wound appeared to be untreated. I notified detectives of what I had found, and requested fire personnel respond to our location.

Prior to fire personnel arriving, a CSI Officer from Sacramento County Sheriff`s Department arrived to process GONZALEZ-WARREN`s injury. Both of GONZALEZ-WARREN`s sweatshirts were removed, and I placed them in separate bags. I provided both sweatshirts to the CSI Officer from the sheriff`s department, who assumed custody of them. GONZALEZ-WARREN was asked why he didn`t inform anyone of his chest wound while he was initially taken into custody, and he stated "I thought you guys wanted me to keep this on the down low."

1625 Hours: At his request, GONZALEZ-WARREN was transported to Kaiser South Hospital. GONZALEZ-WARREN was medically cleared from the hospital. I was provided the proper paperwork for GONZALEZ-WARREN being medically cleared from Kaiser South Hospital. The paperwork was booked with GONZALEZ-WARREN`s property when he was processed at main jail.

Supplement Notes

I transported GONZALEZ-WARREN back to the Elk Grove Police Department, where he was interviewed by Sacramento County Sheriff's Department investigators.

Following the conclusion of the interview, I transported GONZALEZ-WARREN to the Sacramento County Main Jail.

2309 hours: Phlebotomist Esquival collected a blood sample from GONZALEZ-WARREN`s left arm. The blood sample was booked at the Sacramento County Main Jail.

Following this, GONZALEZ-WARREN was booked at main jail without incident. During my time with GONZALEZ-WARREN, his behavior was erratic. While at the hospital, GONZALEZ-WARREN would randomly scream incoherent statements at the top of his lungs. At one point, he was sweating profusely, despite having laid in a hospital bed while over an hour. GONZALEZ-WARREN clenched his jaw throughout our contact. GONZALEZ-WARREN informed me he was "coming down" from methamphetamine during our contact. He did not make any statements that were pertinent to the officer involved shooting incident.

Notes/Narrative

SYNOPSIS:

While in the unincorporated portion of the County of Sacramento, the arresting officer observed the offender running down a sidewalk and saw him retrieving an item from his pants that he believed was a handgun. The arresting officer gave verbal commands for the offender to stop and show his hands. The offender made a sudden turning movement toward the officer obscuring the item. The arresting officer fired one round from his service pistol and the offender sustained a grazing wound. The arresting officer arrested the offender. The offender had an outstanding warrant for his arrest out of the Concord Police Department. The offender was transported and booked at the Sacramento County Main Jail Facility.

DETECTIVE SERGEANT JAMES FULLER`S NARRATIVE REPORT:

On January 17, 2019 at approximately 1055 hours, I was working for the Elk Grove Police Department as the Detective Sergeant of Crimes Against Persons Unit.

As I was working, I was informed an Elk Grove Police Officer had been involved in an Officer Involved Shooting. I was told the officers and suspect were not injured and the suspect was in custody.

I was told the involved officers were Officers Paul Resch and PC 832.7 (b)(5)(B) [redacted]

I was told the offender was Jason Christopher Gonzales-Warren. After Jason Gonzales Warren was taken into custody, a search of his person revealed a glass methamphetamine pipe and a fireplace utility lighter was located on the ground next to the suspect.

I was told the incident happen on Orchard Loop Lane in the County of Sacramento.

Given the incident involved Elk Grove Police Officers in the County of Sacramento, I called my colleague, Detective Sergeant Ken Clark of the Sacramento County Sheriff's Department to discuss investigative responsibilities. It was decided he and his team would investigate the officer involved shooting.

Detective Bearor and I drove to the scene and coordinated with Detective Sergeant Ken Clark. It was decided our department would handle the arrest of the suspect, Jason Gonzales Warren (05/12/93) and Sergeant Clark`s team would interview Officer Resch at the Elk Grove Police Department.

Notes/Narrative

At approximately 1900 hours, Detectives Marcos Camacho and Jim Walther interviewed Officer Resch while I observed the interview from an adjacent room. The following is a summary of the interview:

*Officer Resch and his partner, Officer PC 832.7 were working this same day at approximately 1055 hours. Officer Resch was driving a fully marked Elk Grove patrol vehicle and Officer PC 832.7 was riding in the passenger seat. Both officers were wearing Elk Grove Police Department uniforms. They were in route to eat lunch at Texas Roadhouse, 8094 Orchard Loop Lane.

*Officer Resch drove south on Power Inn Road and turned west on Orchard Loop Lane. As they were traveling west on Orchard Loop Lane, Officer Resch saw a subject running west on the south sidewalk. The subject looked back towards the patrol car as he was running away. As Officer Resch drove closer to the subject, it appeared the subject was holding the barrel of a revolver firearm and was trying to conceal it to the front of this pants. The subject continued running but was slowing down in what appeared to be an effort to either further conceal or withdrawal the firearm from his pants or waist band area.

*Officer Resch pulled his patrol vehicle behind the subject who had walked into the west end parking lot of Firestone Auto Care, 8055 Orchard Loop Lane. The subject continued to conceal his hands to the front of him, away from the officers` view and continued to conceal what was believed to be a firearm.

*In an effort to contact the subject, Officer Resch stopped his vehicle approximately 20` behind the subject in the Firestone parking lot. Officer Resch opened his door and had the subject at gunpoint. Officer Resch repeatedly gave the commands to the subject to drop what he was holding and to show his hands. The subject did not comply and without warning abruptly spun around 180 degrees while removing his hands from his pants and raising them to his chest. Officer Resch believed the subject had a firearm and was going to shoot him and Officer PC 832.7 Fearing for their immediate safety, Officer Resch fired his duty weapon at the subject.

The subject was struck and sustained a grazing type wound to the abdomen. The subject was arrested, taken into custody and later medically cleared for incarceration.

Jason Gonzales-Warren was interviewed at the Elk Grove Police Department by Sacramento Sheriff`s Detectives Carlos Cabrera and Cathy Crowley. The following is a summary of the Mirandized interview:

*Jason Gonzales-Warren stated he saw and identified the police vehicle when it was driving up behind him. Jason Gonzales-Warren believed the officers were coming to contact him so he started running down the street. As Jason Gonzales-Warren was running away from the officers, he said he was trying to conceal a lighter and glass smoking pipe used to smoke "crystal meth" inside the front of his pants. When the officer (Resch) contacted Jason Gonzales-Warren, he stopped with his back towards the officers. Jason Gonzales-Warren said Officer Resch told him to stop, drop what he had in his hands and turn around. Jason Gonzales-Warren said quickly turned around and dropped the lighter at the same time he was shot.

*Jason Gonzales Warren identified Officers Resch and PC 832.7 as police officers driving in a marked police vehicle. He believed they were there to contact him. He made the furtive movement to conceal the utility lighter down the front of this pants. His actions were willful and threatening to Officer Resch.
